## nail notes

“Dark nail polish is a winter favourite as it’s elegant and universally flattering” says nail pro Sabrina Gayle, who used Essie nail colour on our shoot. “Choose a polish with a subtle metallic shimmer for a fun party twist.” Dark shades should be worn on short, round nails “to keep the look chic” and Sabrina recommends finishing with two layers of top coat for a high-gloss finish.

Studio Line Style Architect Styling Wax, £3.69, L'Oréal Paris (available nationwide)
