

SEVEN DAYS SEVEN WAYS

Thought hairspray was just for fixing updos? Think again. L'Oréal Paris Elnett gives you all the styles you need from Monday through to Sunday

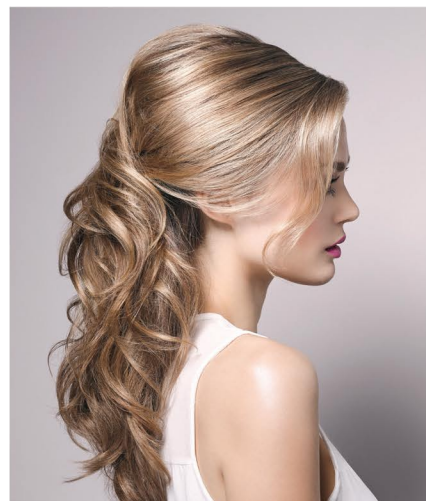

TUESDAY soft waves

For a sleek weekday look, split hair into three-inch sections, then wrap around a wide-barrelled tong and hold for 15 seconds. Leave to cool, before brushing through with a bristle brush pre-sprayed with Elnett So Sleek to loosen curls and add gloss.

MONDAY chic fishtail

Kick-start your week with this stunning braid. Backcomb your roots using Elnett Very Volume for oomph before bringing your hair over one shoulder and splitting into two. Next, take a small piece from the outside of one section and cross it over to the other. Repeat on alternate sides and fix with a band.

WEDNESDAY textured half pony

Get over hump day with a quick and easy updo. Loosely pull half your hair to the back of your head and fix with kirby grips. Spray with Elnett Normal Strength and rub the lengths between your palms for texture.
